

## LETTER OF REFERENCE

ECOFLOW sp. zo.o. is glad to recommend 300Brains as a professional and reliable partner for cooperation.

The solidity of the company 300Brains is supported by a huge amount of knowledge and skills. 300Brains offers a comprehensive approach to IT solutions, taking into account the client's suggestions. We wanted that the proposed solution not to be a out of the box but "made to measure".

The implemented application for managing the availability of production resources has enabled the best use of our available resources. Thanks to this solution, efficiency and simplification of production processes has increased.

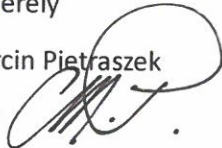

Cooperation with 300Brains resulted in the development of beneficial IT solutions that strengthened the position of ECOFLOW sp.z o.o. on the market.

We hereby confirm the high quality of services and involvement of 300Brains is entrusted projects.

Sincerely

Marcin Pietraszek

CEO
