

Warsaw 6th March 2019

Reference letter

Wood Lark Sp. z o.o. Sp. k. with headquarters in Warsaw with extensive experience in the real estate market, declares that it has taken productive cooperation with 300Brains.

The 300Brains team focuses on innovation, modernity, and at the same time on the functionality and reliability of the proposed software solutions.

The software implementation process was distinguished by professionalism, very good preparation and commitment of 300Brains employees.

Bearing in mind our experience and high expectations, we are satisfied with the effects of cooperation.

We perceive 300Brains as a reliable business partner.

Sincerely

Paweł Kucharski
Member of board
